MEMORANDUM FOR: Office of European Analysis

FROM :

25X1

SUBJECT : Roundtable on "Successor Generation" in Western Europe and
Public Opinion on Security Issues

1. On 22 December at 1:30 p.m. a roundtable discussion will be held with USICA and FSI public opinion analysts on the subject of Western Europe's "Successor Generation." Dr. Steve Szabo, FSI, will open the discussion with a brief overview of a forthcoming book on this subject that he and his colleagues are completing.

2. The discussion will focus on West Germany, Italy, Britain and Eastern Europe, but will touch on polling results found in other neighboring states as well. The meeting will attempt to tie youth views to current security issues, as well as touch on longer-term trends in West European states.

3. All interested analysts are invited. The session will be held at the Secret level in 7E62 from 1:30 - 3:30 p.m.
